spa etiquette

Please arrive 15 minutes before your scheduled service to fill out a health intake form and to use the restroom or shower. If you should arrive late, your session may be shortened to ensure the satisfaction of all guests. During each treatment, you will be fully draped and covered with a sheet. Loose clothing is advised for any waxing treatments. Gratuities are not included, but appreciated.

cancellations

We require a minimum four hour notice to change or cancel appointments. Cancellations made within four hours are subject to a \$20 room charge. No notification will result in a full charge of service.

health

Drink plenty of water and avoid caffeine/alcohol before and after your treatment. Anyone with a contagious condition such as a cold or flu should not receive a massage. A massage worsens your condition, spreading it throughout the body.
